(THE OWNER AND THE FOUNDER OF THE COMPANY)
Prof. IBRAHIM A. HAMID ABU SAMRA

National Detergents & Cosmetics Co Founded by **Prof. IBRAHIM A. HAMID ABU SAMRA** Since 2000 we have been developing and manufacturing detergents and systems for professional cleaning. Together with the products, we efficiently and courteously give effective and flexible solutions and answers to the needs of customers and many end users, to whom we also offer consulting and training. This is our concept of SERVICE. Our products are used in many sectors, from communities, hotels and restaurants to the food and non-food industries, coffee bars, offices and commercial distribution. They are different sectors with specific and growing needs that we listen to CAREFULLY and RESPECTFULLY. The same respect that we have for our employees, suppliers, the community and the environment in which we operate. We are a solid company because our foundations are solid. CREDIBILITY and REPUTATION have priceless value for us. For this reason we let our conduct speak in our relationships with the market, with the communities in which we operate, and with people who work with us. It is our concept of INTEGRITY, TRANSPARENCY and RELIABILITY. Every year we invest around 10% of turnover in research and development of new solutions that are more effective and environmentally friendly. this is our concept of INNOVATION.

We are growing and we want to continue to grow. It is our concept of EXCELLENCE. We do not settle for doing a good job. This is why we strive to continuously improve our products and services, and with them the results of the company. Creating more value for all.
